

Meeting Notes - September 22, 2013 - Client team

Sunday, 7:30 p.m.

Topics:

1. Choose team rep to work with other team
2. Discuss how to conduct meetings
3. Choose language.
4. Research topics

Choose team rep: Cassie Dusute

Discuss how to conduct meetings

Notes for 9/22 taken by Cassie Dusute

Notes for 9/29 will be taken by Lisa Snyder

Notes for 10/6 will be taken by Jeff Klanderman

Notes for 10/13 will be taken by Jaime Cedillo

Will collaborate documents on Google Docs (from now on).

Will meet weekly on Sunday (unless we need more time for notes).

Choose Language: C#

Research topics for next week:

Jeff will take the first functionality requirement.

Cas will take the second and third functionality requirements.

Lisa will take the fourth and fifth requirements.

Jaime will take the sixth and seventh requirements.

Documentation will be handled by Cas and Lisa (with lots of collaboration from group!)
